

Coding Dojo Alumni Benefits

As a Coding Dojo alumni, you have access to a suite of amazing benefits. Just like our bootcamps, the more you put into participating in alumni programs and interacting with other alumni, the more you'll get out of it! Below is an overview of some of the benefits and programs to take advantage of.

Alumni Discord

Our Discord is your space to gather, network, and connect with other Alumni, career services managers, and future colleagues. Once you graduate you'll be seamlessly transitioned into our exclusive Alumni area. There are spaces to discuss and seek help on projects, get advice for interview prep, post job listings, or just discuss a movie you enjoyed recently!

The Alumni Discord is the same URL you used to access the Student Discord, so come join in on the fun! You can also now join the [LinkedIn Alumni Group](#) to connect with peers and network!

Career Services, For Life!

Once you've graduated, your CSM will be a primary contact to help you continue to thrive! Our Career Services has no expiration date and our team is happy to help you land your first, second, third jobs, and beyond. So take advantage of all the great things they have to offer!

Opportunities you can expect to receive from career services:

- Job postings & opportunities
- 1-on-1 career planning meetings
- Career readiness workshops
- Interview prep
- Information on continued education courses

Technical Interviewing

In addition to Workshops offered by your CSM during your bootcamp, Career Services also offers Technical Interviewing Prep workshops that will help with your interviews post-workshop. This workshop will help you understand what to expect during your interviews and how to prepare for your job search, as well as the technical challenges and questions that will come up during your interviews.

Microsoft Azure Certification Workshops

Coding Dojo is a Microsoft Azure Training Partner and offers free one-day workshops to help you prepare for various Azure certification exams! Plus, for each workshop you attend, you'll receive a 50%-off voucher for the appropriate exam.

Celebrate Your Success Campaigns

We want to celebrate your successes with you, and we'll reward you for sharing!

Showcase your successes—whether it be a new job, a project you finished, a new skill you learned, or anything else—on social media using the hashtag **#DojoSuccess** and you'll be automatically entered to win a \$50 gift card every month!

Refer a Friend

You can share the gift of a better career, and get something back in return! And it's as simple as sharing a link, social post, or email. When you refer a friend and they enroll at Coding Dojo not only will they get \$500 off their tuition, you'll receive \$500 once they are close to graduating!

Disclaimer: Due to state regulations, reward and tuition discount is limited to \$100 for residents of CA and is not available to residents of TX.

Alumni Pass

Gain access to all of our stacks, even ones you did not learn during your bootcamp! The pass costs \$49.99/mo or \$499.99/year and includes the full curriculum for each of the stacks below.

Connect with Us!

Connect with us on your social platform of choice to stay updated on new courses, special alumni events, tech talks with industry professionals, opportunities to be featured, and a whole lot more!
